Subject Thank You!!

Dear Sir,

I am reaching out to you because I wanted to leave a note of thanks on behalf of my father Retd. Maj. K K Singh; as I could not find a testimonial page on your website I am sending a note via email.

As a daughter I can't thank ECHS team enough for their efforts in bringing best treatment to my father who has been diagnosed with Colon Rectal Cancer. ECHS team expedited the process to get the PET scan approval based on his situation (which I believe takes some time based on case).

Although my family has been going through a lot at this time but I wanted to take a moment to thank your team for their efforts.

Because of facility like ECHS, I am assured that he can avail the best treatment there could be. It is a great moment of relief for me who has been living in United States. Although my family is dealing with a lot, I am assured that they have been taken care of medically.

I would travel back home as his treatment progresses. While I am in India I would leave a personal note to the ECHS secunderabad team but in the mean time I wanted to send my message across.

Below are the details of my father:

Name : Retd. Maj K K Singh

Location: ECHS Secenderabad.

Please keep up the good work.

Thanks!!

Yours Sincerely,
Purnima Singh

PS: Sir I work in IT and have built a lot of consumer facing websites; if you need any help with the website design/look and feel, I can volunteer to help.
