

ISSUANCE OF STRIPS FOR GLUCOMETER

There has been representation from ECHS beneficiaries issued with Glucometer that the consumable items like Glucostix also should be made available. It is clarified that patients suffering from diabetes mellitus who have been issued with Glucometer kit for estimation of blood sugar level will also be issued with requisite consumable items for carrying out the test procedure as provisioned vide Govt of India, Min of Defence letter No 24(8)/03/US/(WE)/D(Res) dt 19 Dec 2003.
