CLARIFICATION: MAINTENANCE OF ECHS BUILDINGS

1. The policy on maintenance of ECHS Polyclinic buildings was issued by the Dte of Wks, E-in-C's Branch for action by all concerned vide letter No A/37696/12-1/Pol/E2W (PPC) dated 30 Sep 2008 and was also circulated by this Organisation vide letter of even reference dated 17 Oct 2008.
2. It has been observed at a few places that the requirement of maintenance funds for Polyclinic buildings had not been included in the Maintenance Plan of the Stations resulting into poor maintenance.
3. It is reiterated that after a Polyclinic is constructed by the MES and handed over to the Station, the building thereafter is to be treated like any other building of the Station and maintained accordingly.
4. It is therefore necessary that the Polyclinic building should be included in the Maintenance Plan of the Station and related fund requirements should be projected accordingly. The expenditure should be debited to the relevant Minor Heads of the Army, Navy and Air Force.
